

COMPANY OVERVIEW

Honeybadger Solutions LLC is a veteran-led Arizona company, certified by the SBA as a Service-Disabled Veteran-Owned Small Business (SDVOSB). We provide licensed security officers, private investigations, digital forensics and managed IT/cybersecurity from one accountable team based in Casa Grande, serving the Phoenix metro, the East Valley, Pinal County and Tucson.

CORE COMPETENCIES

- **Security officers:** armed and unarmed posts, access control, concierge/lobby, construction-site and industrial security, mobile patrol.
- **Fire watch:** impaired sprinkler or alarm systems, hot work and construction fire watch, with written round logs.
- **Event and surge staffing:** crowd management, credential checks, overflow staffing for primes and venues.
- **Executive protection:** protective details and secure transport in Arizona.
- **Private and financial investigations:** background, surveillance, fraud, asset and workplace investigations (AZ PI agency).
- **Digital forensics:** phone, computer and cloud evidence, eDiscovery support and court-ready reports; remote nationwide.
- **Managed IT and cybersecurity:** endpoint management, email security, incident response and bug sweeps (TSCM).

DIFFERENTIATORS

- SBA-certified SDVOSB and VOSB; counts toward primes' small-business and SDVOSB subcontracting goals.
- Arizona DPS licensed security guard agency and private investigator agency, insured and bonded.
- One vendor for guards, investigations, forensics and IT, so incidents move from the post to the report without hand-offs.
- Local bench in Pinal County for fast staffing south and east of Phoenix.
